

SAÚL RAMÍREZ GONZÁLEZ

MECHATRONICS ENGINEER

I am a mechatronic engineer passionate about programming, industrial maintenance and electronics. I am looking for an opportunity to grow professionally as a mechatronic engineer, I may not have the years of experience that other engineers have, but I make up for it with hard work, dedication and study, I like to be constantly learning and I know that I can be an important piece for the company. I thank you in advance for the time spent reading my CV.
